## Membership Terms & Conditions

### 1. Things to know at the start of your membership

As a member, you can use our studio in line with these terms and conditions.

#### 1.1 Understanding our membership options:

##### *Understanding our membership options: Access*

##### *Trial:*

Our Trial gives you access to the specified number of class credits listed for the advertised expiry period from the date of purchase. You can come to a variety of the classes to see which classes you enjoy and how many in a week period you may like to regularly do when choosing a weekly membership. The price is a one off payment as listed and is non refundable or transferable.

Customers are only allowed to purchase or sign up for one Trial pass per individual (of any type). After the trial is finished, you can choose to continue your classes by purchasing one of our weekly memberships.

##### *Weekly Subscriptions:*

All active members are encouraged to request to join our Student Facebook group - [Jungle Tribe](#). This group ensures students are kept up to date with class requirements (what to bring, wear, expect etc), have a supportive environment where you can share your progress, keep motivated and socialise with like minded people!

1. Casual (1 group class / week) + 1 free scheduled practice
2. Part Time (2 group classes / week) + 2 free scheduled practices
3. Full Time (5 group classes / week) + 2 free scheduled practices
4. Overtime (8 group classes / week) + 2 free scheduled practices + free access to Jungle OnDemand

Our above listed memberships give you the flexibility to enjoy our range of classes available on the schedule with a set limit per week. You are not locked in to a "term period" for a certain class, day or time and can change your classes week to week or book the same classes weekly, depending on your preference. Our schedule will update, increase and change over time, which offers you access to a new variety of classes for you to try and switch between.

These memberships can be cancelled at any time without a cancellation fee. You will have access to classes up until the pay window finishes (7 days from payment date). All subscription memberships have an open end date, meaning you will have continued access to your classes until you cancel or pause your membership (contact the studio to cancel or pause your membership).

##### *Casual Visit:*

Our Casual pass gives you variety and flexibility to enjoy one of the classes on our extensive schedule. The price is a one off payment at the advertised amount and is non refundable or transferable. An expiry date will be listed and start from the date of purchase.

##### *Jungle OnDemand:*

Our Jungle OnDemand is an archive of over 70 hours of unique classes, ranging from Pole, Aerials, Flexibility, Fitness, Choreography and Dance Technique with new classes added monthly. Learn from anywhere at any time, including in the studio during practice sessions. You can purchase our Jungle OnDemand as a sole membership, add it on to your existing membership or enjoy it as a free add on to your Overtime Membership!

## Membership Terms & Conditions

### *Understanding our Membership Options: Commitment*

#### *Weekly Subscription Memberships:*

All subscription memberships have an open end date. You will be charged your prescribed weekly amount until your plan is cancelled or paused (contact the studio to cancel or pause your membership). Memberships will not be refunded or transferred for any reason including cease of use. Cancellation responsibility falls on the customer and/or owner of the account.

Loyalty pricing will apply to your current plan, meaning if prices increase, your rate will remain the same unless you cancel or downgrade your membership. In that case, you forfeit your loyalty pricing.

If you choose to re-sign up, you will only have access to the current advertised rates.

#### *One Off Passes:*

All one off payment passes will give you access to our schedule of classes, based on the prescribed pass. Passes will not be refunded or transferred for any reason including cease of use.

### **1.2 How old do you have to be to join our sisterhood?**

#### *Meeting our sisterhood requirements*

Jungle Studio is currently a female only space and only runs group classes for women. Men are welcome to take part in private lessons and special events at the studio's discretion.

#### *Meeting our minimum age*

You must be 16 years or older to become a member of Jungle Studio.

If you are under 18, a parent or guardian must create a main account and list their minor under a linked child account to register and agree to the Studio Waiver and Membership T&Cs on their behalf. The child account holder will need to also agree to our Membership T&Cs.

Minor's can then:

- take part in group foundation and skill level classes for pole / aerials
- take part in group floor based classes
- take part in supervised group practice classes

Minor's cannot:

- participate in any exotica / exotic / heels / sexy style / strip n lap (or other related styles) choreography classes as content and music may be sexually explicit in nature.
- participate in unsupervised group practice classes.

All minors with bookings in classes that are not suitable will have their booking cancelled and refused access to the class in the event they show up for the class and their booking was overlooked. It is the responsibility of the student to ensure they are booking into appropriate classes. The style of the class will be shown as on the timetable and at the start of each new choreography rotation, it is posted in the student Facebook group - Jungle Tribe.

### **1.3 When does your agreement start?**

#### *Signing your agreement*

You have an agreement with us when you have created your account and agreed to the Waiver and T&Cs and we have accepted it. If these terms and conditions or your agreement differ from anything you are told at the studio or over the phone, these terms and your agreement will apply. Unless written confirmation is received from a Jungle Studio employee.

## Membership Terms & Conditions

If we do not enforce our agreement rights at any time, it does not mean we have waived those rights, no matter how long we wait.

### **1.4 Can you change your mind?**

#### *Cancellations*

You can cancel your subscription membership at any time by contacting the studio. You will have continued access for the length of time you have paid up to or you can forfeit your remaining credits.

## Membership Terms & Conditions

### *Trial Pass*

A minimum of 4 hours' notice is required to cancel any class you book into under this special. Your credit is refunded to be used to book another class within your payment window. If you need to cancel later than this deadline, please contact us via our Facebook Page before the start time of your class. Your credit will be refunded if you provide 1 hours notice or more. Under 1 hours notice will result in a forfeit of your credit. Any 'No Shows' will be subject to our No Show penalty system. Trials are non-refundable and limited to one per person. They start from the purchase date, not the first booking. There is an expiry date on all trial credits. See credit pack to check your expiry.

Ensure you cancel within the recommended time frame as described above. If you cancel your class, event or hire within the cancellation period, your credits will be forfeited and marked as a Late Cancellation. If you fail to cancel at all, you will still forfeit your credit, but also be awarded a strike against your account, potentially suspending your access and clearing your future booking history. See section 1.9 for further details on our Strike Policy.

## **1.8 How do I pause my membership?**

### *Notification Period*

In the event you need to pause your membership, you will need to provide the studio with 2 weeks notice and the start and end date of the time you are requesting paused. The minimum pause period is 2 weeks and the maximum any one student can pause their membership within a calendar year is 3 months.

### *Why Pause?*

Membership pauses allow students to keep their loyalty pricing while taking time off. If you cancel your membership, you forfeit your loyalty pricing and will need to sign up to our current pricing structure upon your return.

### *Things to know*

Once you have requested a pause, the studio will try to match your away dates to your payment window. This may mean that you can only have part of your dates paused if the dates do not align. The studio will let you know what date range you have available to pause. This is why we recommend all student's memberships run with a Sunday to Saturday booking window to maximise your ability to pause your membership.

## **1.9 What is our Strike Policy?**

### *No Shows*

No Shows is a term used to describe a member who books in for a class, but doesn't show up or cancel. All classes can be cancelled up to 4 hours before the class starts, or anytime within the 4 hour cancellation window as a Late Cancellation (see section 1.7 for further details).

It is so important to cancel if you cannot attend as we have people on waiting lists wanting to attend if a spot becomes available. The sooner you can cancel your class the better, but if you need to cancel within 6 hours of your class starting, please inbox the studio facebook page so our staff can cancel for you and offer your spot to other students.

### *What is the Strike Penalty System?*

To discourage 'No Shows', we have a strike system.

Your first strike will result in the studio contacting you with a reminder to cancel via our app in the future if you cannot attend.

Your second strike will result in an immediate cancellation of all your current bookings, waitlisted classes and freeze your ability to book for any future classes for a 24 hour period. Our staff will notify you of the Freeze on your account and the time it will end.

## Membership Terms & Conditions

We do hope no one reaches a second strike, but the responsibility to book and cancel your classes falls to the student. Promptly cancelling all classes you cannot attend is the considerate way to go and we are always here to help you cancel if life throws you a curveball! In the event you cannot cancel, contact the studio facebook page and we will cancel for you. This message must be sent through before the start of your class to avoid a strike and outside of the cancellation window to avoid forfeiting your credit.

### *Beginners*

If you are a new student and have never tried classes like these before, you will want to start in our Beginners and All Levels classes. If you are training in an apparatus (pole, silk, sling, hoop), you will need to pass the Beginner Prerequisite Skills before moving up to a higher class (see Grading Assessments below for more details). If you are training in any of our All Levels classes, these classes are non graded and can be enjoyed by anyone.

## Membership Terms & Conditions

### *Foundations*

Foundations classes are the first step in our class Hierarchy. In a Foundations class, you will learn core moves, technique, strength, conditioning and micro combos to build your knowledge of the skills and also ensure you're performing the moves safely to prevent injury.

A thorough knowledge and confident execution of your Foundations skills are required to be successful in its Level equivalent (i.e. Foundations 1 Pole is a prerequisite to Level 1 Pole, etc.).

In order to progress, you will need to pass the Grading Assessment for your Foundations class before entering your Level class.

### *Level*

Level classes are the expansion of your core skills. In a Level class, you will learn variations of your core moves, transitions, technique, floorwork, lengthy combos and routines to build your endurance, memorization, flow skills and understanding of how to transition in and out of moves.

A thorough knowledge and confident execution of your Foundations skills are required to be successful in a Level class and continue to build upon those foundation skills as you learn the variations.

In order to progress, you will need to pass the Grading Assessment for your Level class before entering the next Foundation class (i.e Beginners > Foundations 1 > Level 1 > Foundations 2 > Level 2 > Foundations 3 > Level 3 Etc.).

### *Order of Graded Classes*

You must have been graded and signed off to progress to the next class as shown below:

Beginners > Foundations 1 > Level 1 > Foundations 2 > Level 2 > Foundations 3 > Level 3 > Foundations 4 > Level 4

You can actively be in one Foundations and one Level class at any one time. This is to ensure you are only working at the skill level relevant to you. The maximum classes you can attend for one apparatus is two Foundations classes and one Level class, within a one week period, depending on your available timetable and current membership. This is to ensure that all students have an opportunity to book as class in their relevant skill level.

i.e:

- Beginners are not graded for entry and can only do Beginners and 'All levels' class until graded to move up.
- Graded to enter Foundations 1 > Can do Beginners and Foundations 1 at the same time.
- Graded to enter Level 1 > Can do Foundations 1 and Level 1 at the same time.
- Graded to enter Foundations 2 > Can do Level 1 and Foundations 2 at the same time.
- Graded to enter Level 2 > Can do Foundations 2 and Level 2 at the same time.
- Graded to enter Foundations 3 > Can do Level 2 and Foundations 3 at the same time.

- Graded to enter Foundations 4 > Can do Level 3 and Foundations 4 at the same time.
- Graded to enter Level 4 > Can do Foundations 4 and Level 4 at the same time.
- Any student can join an All Levels (non graded classes) or Mixed Levels (practice sessions) class.

### *All Levels & Mixed Levels*

All Level classes are non graded and suitable for everyone. They include a variety of class types that include but are not limited to:

- Aerial Yoga

## Membership Terms & Conditions

As sessions are unsupervised, ensure you always put a crash mat under the aerial or pole space you are using when practicing any tricks, combos or class routines (low flow choreography is an exception if it does not include any tricks from Foundation 1 or above).

### *What classes can I do?*
